

The University of Akron
Classification Specification

Job Title:	Plumber	Job Code:	94042
Job Function:	Staff	Grade:	07
Job Family:	Bargaining Unit	FLSA:	Non-Exempt
SOC Description:	5000 Facilities Management Division	Date:	7/12

Job Summary:

Perform unskilled, semi-skilled and skilled plumbing repairs and installations. Plan, inspect, record and oversee plumbing concerns. Evaluate systems, research solutions and order repair parts and supplies.

Essential Functions:

50-70% Assemble, disassemble, install, replace, rebuild and maintain water, vent, drain, gas, chemical, fire sprinkler and air lines and all fixtures and devices for these lines and/or systems.

5-15% Assemble, replace, rebuild, install and maintain valves and pipe filling and pipes. Cut threads and ream pipes using various tools to code.

0-15% Fill pipe system with air and/or water and read pressure gauges to ensure proper working conditions. Maintain various plumbing systems such as garbage disposals, sump pumps and water fountains.

0-10% Complete work, time and material usage reports. Perform other duties as assigned by superintendent/supervisor.

Education:

Requires high school diploma or GED.

Licenses/Certifications:

Valid Ohio Driver's License.

Experience:

Requires a minimum of 2 years experience in the plumbing field. Ability to operate and use standard powered and nonpowered plumbing tools and equipment such as cutting, threading and bending machines, core hole machines, wrenches, hoisting machinery, saws, drills, main drain machines, grinders and testing gauges required. Ability to perform mathematics associated with trade applications (fractions, ratios, percentages) required. Ability to read, write, observe and accurately follow oral, written and graphic instructions required. Ability to exercise judgment in determining correct course of action when confronted with new situations required.

Leadership:

No authority or responsibility for the supervision of others.

Physical Requirements:

Must be able to lift 80 pounds without assistance and demonstrate bending, crouching and lifting. Must be able to climb ladder, scaffolding and work on rooftops.

Working Conditions:

Routine exposure to heat, cold, moisture/wetness, inclement weather, noise air pollution and heights. May involve exposure to chemical substances, hazards and moving parts. Work schedule is subject to change in accordance with University needs and/or the results of the shift line-up process. Overtime/Call-ins may be mandatory based on University need.

The intent of this classification specification is to provide a representative summary of the types of duties and responsibilities that will be required of positions given this title and shall not be construed as a declaration of the specific duties and responsibilities of any particular position. Employees may be requested to perform job-related tasks other than those specifically presented in this description. The University requires that all University employees whose assigned duties include some involvement with The University of Akron's intercollegiate athletics program, comply with all relevant NCAA Bylaws in performing their work.
