

Employment While in the Program

- The faculty of the Nurse Anesthesia Program does not recommend employment during the program.
- If part-time employment is a necessity, the student may not work between 11p.m. to 7 a.m. prior to a class or clinical day.
- The faculty will not make concessions in clinical or class time due to outside employment.
- Registered Nurse Anesthesia Students shall not be employed as Nurse Anesthetists by title or function while in the student status of nurse anesthesia program.
