## APPLICATION FOR UNDERGRADUATE STUDENTS TO TAKE GRADUATE COURSES

The maximum number of graduate credits that may be elected by an undergraduate and applied toward a graduate degree is 12

Graduate tuition and fees will be assessed for all graduate coursework taken by an undergraduate

Completed form must be submitted to the Graduate School with instructor's initials and signature of Advisor or Department Head. The Graduate School will approve an undergraduate to take only that graduate course specified on this form in the identified term. An undergraduate seeking to take graduate courses for more than one term is required to submit an Application for Undergraduate Students to Take Graduate Courses form for each term in which enrollment is requested.
