Senior Vice President and Provost
The University of Akron
Buchtel Hall 106
Akron, Ohio 44325-4703

Dear Dr. Ramsier:

Pursuant to your request, I am writing to confirm that the University of Akron has authorization to offer programming at off-campus locations.

The *Ohio Department of Higher Education's Guidelines and Procedures for Academic Program Review* document notes that when more than 50% of a program is to be offered at an off-campus location, an institution is to request approval.

At this time, the University of Akron has approval to offer particular programs at the following locations:
