Policy for Retroactive Withdrawal

1. A retroactive withdrawal may be granted only when a student has experienced unforeseen, documented extenuating medical or legal circumstances that he/she could not have reasonably expected.
2. The student must submit all retroactive withdrawal requests within one calendar year of resuming coursework at The University of Akron.
3. The student must initiate the withdrawal request by providing written documentation of the circumstances, a current University of Akron transcript, current contact information, and a cover letter of explanation addressed to the dean of the college in which he/she is enrolled.
4. Upon receipt of required materials from the student, the receiving dean will discuss the request with the instructor(s) of record, relevant chair(s), and other deans (if the student is requesting retroactive withdrawal from courses in other colleges). Based on these discussions, a coordinated joint response regarding the request will be formulated by the receiving dean. If approval of the request is recommended by the receiving dean, the University Registrar will initiate the retroactive withdrawal. The receiving dean will notify the student of the action taken.
5. Requests that have been denied can be appealed to the Office of the Provost.
6. This process addresses academic changes to a student's record only. Once the academic record changes have been made, the student has the right to submit an appeal for tuition and/or fee changes. Information regarding the fee appeal process may be found at <https://www.uakron.edu/student-accounts/fee-appeals.dot>.

Date student initiated withdraw request

The date the student initiated their drop/withdraw request, whether by email, phone or in-person communication, must be indicated on the drop/withdraw form. Supporting documentation must be provided with this form.
