

Changing Your UAnet ID Password

1. Go to this web address: <https://auth.uakron.edu/zid/app/password/cpw.cgi>

You should see the following page:

The University of Akron

University of Akron Login

Authentication is required to access UAnet Services.

UAnet ID:

Password:

Login

About this login

This is a single sign-on system. Once logged in, you will be able to access many UA resources without having to log in again, as your credentials will travel with you until you exit your browser. To log out, exit your browser.

- Learn more about single sign-on
- General information about UAnet IDs

2. Log in with your UAnet ID and Password

You should see the following page:

The University of Akron UAnet Services

Main Email Password Admin Websites Info Feedback

Change the password of my UAnet ID

When you change your password, please follow these suggestions:

1. Passwords must be at least 8 characters long
2. Passwords must include a combination of at least 1 letter and 1 number
3. Passwords must NOT be a word or name since these can be easily guessed
4. Change your password at least twice per year

Remember! **do not give your password to anyone!** Giving your password to a friend is a violation of the [acceptable use policies](#).

Old password:

New password:

New password (again:

Submit

[Logout](#) | [UA Home Page](#)

3. Fill in the form with your old password and your new password (x2)

Note: New passwords must be at least 8 characters long and must include a combination of at least 1 letter and 1 number
