MY GOAL TODAY

- You have advisees who are interested in health care, which to them often means doctor or nurse. I would like you to have *two more options* for them, speech-language pathology and audiology.

The University of Akron

3

COMMUNICATION DISORDERS

Speech-Language Pathologists:

- Assessment and treatment for children and adults with language, voice, fluency, articulatory, and phonologic disorders

Audiologists:

- Evaluation and treatment of hearing and balance disorders

4

COMMUNICATION DISORDERS

- Communication is the essence of what it means to be human; you would only fully know that if you lose the ability to talk or to hear.

The University of Akron

5

100% EMPLOYMENT

- “Employment of speech-language pathologists is projected to grow 21% from 2014 to 2024, much faster than the average for all occupations.”
- “Employment of audiologists is projected to grow 29% from 2014 to 2024, much faster than the average for all occupations.”

Federal Occupational Outlook Handbook from the Bureau of Labor Statistics

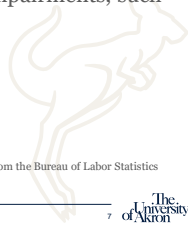

The University of Akron

6

WHY?

- “As the large baby-boom population grows older, there will be more instances of health conditions that cause speech or language impairments, such as strokes and hearing loss.”

Federal Occupational Outlook Handbook from the Bureau of Labor Statistics

The University of Akron

7

REWARDING CAREER!

- What a rewarding career, helping such people. Time magazine and US News and World Reports agree, ranking us highly.

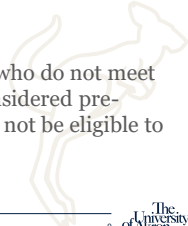

The University of Akron

8

ADMISSION TO THE COLLEGE

- Direct admission to the College is given with a high-school GPA of 3.0 and ACT of 22 or SAT of 1030.
- Pre-admission students: Those who do not meet direct admission criteria are considered pre-admission students. They might not be eligible to apply for certain scholarships.

The University of Akron

15

13

14

15

AUDIOLOGY AND SPEECH CENTER

• Students' first clinical training opportunities are in-house: We offer a wide range of clinical services in speech-language pathology and audiology. Then, all students complete clinicals at area hospitals and clinics.

Clinical training is our specialty

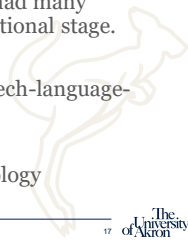

16

16

STUDENT GROUPS: LEADERSHIP

Leadership is important to us: For example, this faculty has had 4 presidents of the American Academy of Audiology. We have had many students lead on the State and National stage.

- NSSLHA: National Student Speech-language-Hearing Association
- SAA: Student Academy of Audiology
