

FREE PSYCHIATRIC SERVICES FOR UA STUDENTS

If you are a student at The University of Akron (UA) and are in need of psychiatric services, (medication assessment and/or medication management), UA has FREE services to help you (medications are not included). Through a partnership with The University of Akron, Northeast Ohio Medical University (NEOMED) and Portage Path Behavioral Health, UA is proud to offer the help you need.

HOW DO I GET STARTED?

To receive services through the UA Community Psychiatry Program located at Portage Path Behavioral Health, you must get a referral from Student Health Services, the Counseling and Testing Center, the Clinic for Individual and Family Counseling, or the Counseling Clinic.

WHO WILL HELP ME?

A psychiatry resident from NEOMED will meet with each student in a comfortable and private setting. Again, this service is **FREE** for UA students!

WHERE DO I GET HELP?

UA Community Psychiatry Program psychiatric services are provided at Portage Path Behavioral Health which is close to campus and provides privacy for students.
